MA Dept. of Environmental Protection.

Think of the problem in terms of....

Your Recycling Cart's 10 Most Unwanted Items

Let's not hurt recycling

NO:

- PLASTIC BAGS
- PLASTIC WRAPPING MATERIAL
- BUBBLE WRAP
- PAPER TOWELS/PLATES
- FOOD WASTE OR LIQUIDS
- SOILED PIZZA BOXES
- STYROFOAM OF ANY TYPE
- TRASH OR YARD WASTE
- WOOD OR HARD METAL
- HAZARDOUS WASTE

If we work to eliminate these from the recycling carts, it would go a long way to help keep costs under control.

"Let's all get behind this effort. We've shown in the past that when we all pull together we create positive change."
